## The Puzzle World of the Monster Go Brand

As a World-Leading speedcube brand, **GANCUBE** has created countless fun for cubers all around the world.

**GANCUBE** has witnessed the growth and progresses

they made.

With the mission of letting more children to enjoy the fun of solving cubes, we created the **MONSTER GO WORLD**. Here, we planned our products in stages to inspire children's step-by-step growth; created the Dr. AI Teaching System to guide children's every confused moment; we insist on GAN's outstanding quality, so that children would not be distracted by the defects of the cubes.....

We hope every little explorer can think and grow in the joy of solving the cube, and use the cube as the starting point for a bright future!
